NEW FLOORS.NEW MOLDINGS.

Quarter Round **NEW**

Quick and effortless installation. Our quarter rounds do not require the removal of baseboards or caulking to cover expansion gaps.

Reducer

Reducers smoothly bridge the gap between luxury vinyl flooring and floors of varying heights, ensuring a seamless transition.

Full Stair Tread

Top Stair Tread

Full Stair Tread & Top Stair **COMING SOON**

Elevate your staircase with our full-plank-sized stair treads, complemented by matching top stair moldings for a flawless, continuous appearance.

Stair Nose

Our stair noses merge elegance and functionality, enhancing both the aesthetic and safety of staircases.

End Cap

Ideal for transitions from LVP to carpets, masonry (like fireplaces), sliding doors, and more, our end caps provide a neat finish.

Slim Trim (2-in-1 SLT)

Versatile and multifunctional, the 2-in-1 Slim Trim serves as a reducer, a transition, and an end cap, simplifying your installations.

Low Profile

The optimal choice for tight spaces where base molding is not feasible, such as around bathtubs.

T-Molding

Designed to cover expansion gaps in Sound-Tee installations and across interior door thresholds, ensuring durability and stability.
